

Helping children master  
the art of growing up

In your classroom environment, what do your students currently hear, say, feel, do, see and learn?

<b>Hear</b>	
<b>Say</b>	
<b>Feel</b>	
<b>Do</b>	
<b>See</b>	
<b>Learn</b>	

### Questions to Keep in Mind:

- What changes have you noticed in your classroom, students, and yourself and what made the difference?
- What was the most exciting part of this process for yourself and for your students and what was the most difficult?
- How can you improve this work going forward?
